R247834266815 WMZ: Z817826575034 Hi all, my name is Sasha. And this is my channel on CS:GO, where I play, commenting on various tournaments, make reviews on skins, hold various contests and just play csgo (counter strike go) on a competitive basis. Feel free to subscribe to my channel (I will only be grateful to you for that), like, comment, ask questions, express your opinions on my channel, as well as the content that I do. And of course, wait for the continuation. And also write your ideas for new videos and I will definitely listen to you! I hope you'll comment under the videos more often, because it's very important to me. I think the channel will become more and more popular every day. If you want to help the channel, all you have to do is to like it and write a comment under the video, the rest is done manually. Thank you for your support and help in developing the channel! The channel is dedicated to tech reviews, experiments and DIY. Household experiments: as far as cooking meat without using meat, frying rubber, or making something useful out of it! Cookbook. Pizza, coffee, tea.

Experiments in the garage. Interesting experiments with electricity. Home experiments.
